## Sponsorship Opportunities

These conferences will bring together hundreds of self-advocates, family members and professionals to learn together and engage with each other about:

- **California's Self-Determination Program (SDP)** – providing choice and control in the way that people with developmental disabilities receive regional center services
- **Supported Decision-Making (SDM)** – a new law in California and an alternative to conservatorship that helps people with disabilities choose trusted supporters to help them understand, make, and communicate choices about their lives

### Partner with Us to Empower California's Disability Community

We invite you to become a sponsor of our powerful statewide conferences—high impact, in-person events that attract hundreds of self-advocates, family members, and professionals from across California's vibrant and diverse disability community.

Gain unmatched exposure through logo placement, speaking opportunities, exhibitor tables, digital marketing, and more—connecting your brand directly with California's disability community.
